## Passaic YouthBuild

The Passaic YouthBuild Program works with members of the Passaic County Juvenile Justice System, YouthBuild USA, Department of Labor, and local stakeholders in Passaic City and throughout Passaic County, to identify students for its GED and construction training program.

## PROGRAM ELIGIBILITY REQUIREMENTS

Eligible students are opportunity youth, ages 16-24, who have dropped out of high school.

Most eligible students reside in Passaic City, NJ. However, Passaic YouthBuild also accepts participants from across Passaic County.

YouthBuild is a training program where participants can learn while they earn. Students work towards their GED, and build homes for low income families while earning a stipend for their work.

Every applicant must attend and successfully complete a Mental Toughness Orientation to gain entry into the program .

## THE PASSAIC YOUTHBUILD PROGRAM PROVIDES:

- GED Preparation
- Construction Training
- Mental Toughness Orientation
- Computer Lab Access
- Job Search Assistance
- Case Management
- Cash Stipend
