Passaic YouthBuild

The Passaic YouthBuild Program works with members of the Passaic County Juvenile Justice System, YouthBuild Newark, and local stakeholders in Passaic City and throughout Passaic County to identify students for its GED and construction training program.

PROGRAM ELIGIBILITY REQUIREMENTS

Eligible students will be at-risk individuals ages 16-21 that have dropped out of high school and possibly interacted with the juvenile correctional system through incarceration, a detention alternative program, or currently on probation or parole.

Eligible students will reside in Passaic City, NJ. However, Passaic YouthBuild will accept participants from across Passaic County.

This is a training program where you can learn while you earn, work towards your GED, and build homes for low income families while earning a stipend for your work.

Every applicant must attend and successfully complete a Mental Toughness Orientation to gain entry into the program .

THE PASSAIC YOUHBUILD PROGRAM PROVIDES:

- GED Preparation
- Construction Training
- Mental Toughness Orientation
- Computer Lab Access
- Job Search Assistance
- Case Management
- Cash Stipend
